knit a square create a cuddly creature from flat to fabulous a step by step guide A knit cap, originally of wool (though now often of synthetic fibers) is designed to provide warmth in cold weather. Typically, the knit cap is of simple, tapering constructions, though many variants exist. Historically, the wool knit cap was an extremely common form of headgear for seamen, fishers, hunters and others spending their working day outdoors from the 18th century and forward, and is ...

knit a square create a cuddly creature from flat to fabulous a step by step guide Knitting is a method by which yarn is manipulated to create a textile or fabric, often used in many types of garments.. Knitting creates multiple loops of yarn, called stitches, in a line or tube. Knitting has multiple active stitches on the needle at one time. Knitted fabric consists of a number of consecutive rows of intermeshing of loops.
